**Subject:** 6830 Santa Monica Blvd - Consent form

Dear Jim,

Thank you so much for your quick response to our problem. I represent the building at 6830 Santa Monica Blvd. We have graffiti that defaced the property and we would like to have it removed. The tagging is only on the security door that leads to the front space in the building. I received permission to speak for the owners in this matter and attached you will find a signed consent form. Please let me know when you will be able to have this graffiti painted over or removed.

Thanks again,

Nannette D'Aquila
